Academic English

- English is the primary language of the top universities, research facilities, and industries in the world.
- Conversational English can be learned informally, but academic English must be learned in an academic environment.

what is Accelerated English Camp?

California Crosspoint Academy's Accelerated English Camp is a three-week intensive training program designed to prepare students who are coming to study in America or another English-speaking academic environment.

Why AnB Summer Camp?

The Accelerated English Summer Camp, held at California Crosspoint Academy in San Francisco Bay Area, is a premium program that combines education, hands-on experience, and fun!

California Crosspoint Academy is recognized worldwide for academic excellence
