Spirit Night 2022: Arcade Games

By Siwon Lee

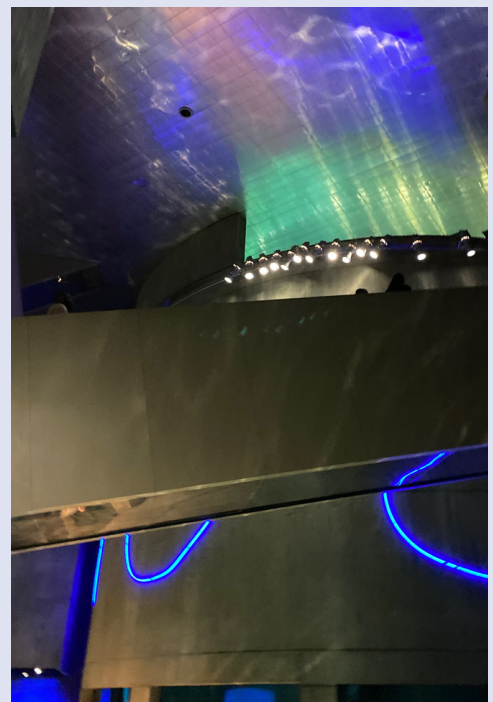

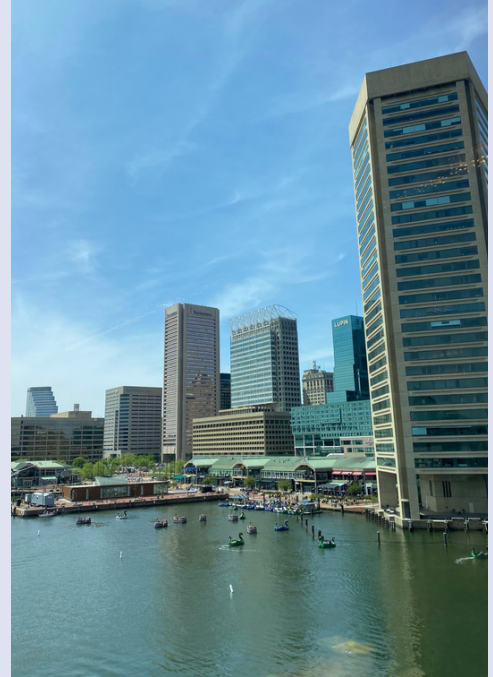

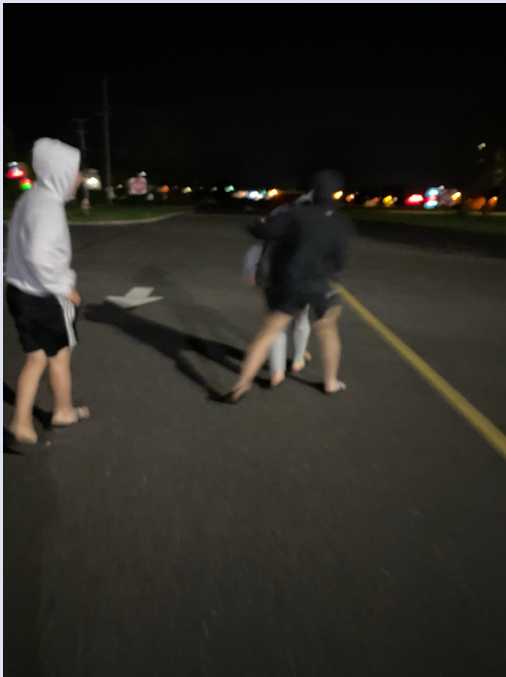

Spirit Night is one of the most well-known and long-running traditions at CEC. Each year, the students prepare for months, honing their skills to eventually show them off over three wild and crazy nights. From January to April, the students choreograph dances, build murals, and design costumes. All of this work culminates in three amazing nights at the end of April. The students perform in front of their parents, friends, and alumni, and are judged on everything including choreography, execution, sportsmanship, and creativity.

This year's theme was Arcade Games. The dorm students performed in four dances: *Deal or No Deal*, *Ms. Pac-Man*, *Donkey Kong*, and *Guitar Hero*. After showing off the dances for three nights, the final winner of Spirit Night this year went to the Blue Team. Spirit Night 2022 was a fun and memorable experience for everyone.
