

April Newsletter

Happy Easter!

Easter is a Christian holiday that commemorates the resurrection of Jesus Christ from the dead. It is observed on the Sunday following the first full moon after the vernal equinox, usually falling between late March and late April. Easter is considered the most important Christian holiday and is celebrated with special church services, family gatherings, and various traditions such as the Easter Bunny and egg hunts. The dorm students enjoyed their 10-day Easter break to the fullest.

Local Activity: Citizens Bank Park

Let's go Phillies! The dorm students got to experience a must-do American event, a baseball game. They got to watch the Philadelphia Phillies, a team that won the National League last season. The students had lots of fun, traveling together from the dorm to enjoy a classic ballgame. To cap off the night, the Phillies got away with the win against the Colorado Rockies!

Spirit Night 2023: Toys!

Spirit Night is one of the longest-running traditions at CEC. The participating students of each spirit team are assigned to themed dance groups, and they all practice together for three months until they get to perform for three amazing nights at the end of March ongoing to the beginning of April. The theme for this year was "Toys", and we had some creatively themed dances such as "Monster High Dolls", "Army-men", and "Lite Brite". The white team took the win this year, bringing back The Klebe. Regardless of the result, however, the three nights were fun and memorable for everyone.

Junior Prom

On April 21st, CEC juniors had their prom. Prom is a formal dance party typically held at the end of the year. Gentlemen get dressed in suits, and ladies wear long evening gowns for the dance. Junior Prom took place in the CEC gym, which was beautifully decorated with lights and balloons. It was an unforgettable night for the students!
