Academic Information

English Support: ESL

Courses of Study: Each student is required to take the six major courses each year at Cardigan, which include history, English, math, science, a world language (French, Latin, Spanish, or ESL), and Personalized Education for the Acquisition of Knowledge and Skills (PEAKS). To enhance the academic experience of the boys, school also requires that they take two or three art electives each year depending on grade level; offerings include visual arts, music, theater arts, and woodworking. Participation in the Gates Invention & Innovation Competition program is required for grade six and seven students and is optional in grades eight and nine. In consideration of the diverse profile of school student body, students are also obliged to take part in Cardigan's yearlong Global Leadership class.

Facilities

The school has art centers, bookstores, theatres, wooden factories, 10,000 library books, baseball courts, outdoor/indoor basketball courts, gyms, science and technology centers, computer classrooms, football courts, ice hockey rinks and indoor tennis courts.

Clubs & Activities

Cardigan boys never lack for activities to fill their time! School provides afternoon clubs, our school-wide inter-dorm competitions, our on- and off-campus weekend activities,. Each season, boys sign up to join two (single-period) clubs or one (double-period) faculty-supervised club from a list of more than 30 options, such as Yearbook Club, game clubs, and new sport or hobby like ice skating, bocce, or fly fishing. Cardigan has a person dedicated to coordinating weekend activities for the boys, including a diverse program of on-campus activities and off-campus trips. Saturday night activities usually include Cardigan Café: a movie being shown in the Klein Family Theater, pizza delivery, and access to TV, video games, ping-pong, foosball, and the like, in The Haven.
