Conwell-Egan Catholic High School, within the tradition of Catholic faith, collaborates to build character through service, achieve academic excellence, and demonstrate commitment to lifelong learning. To provide additional academic support for international students, a 9th period is designed to offer extra tutoring on English language. Students who excel in their academics may also qualify for the opportunity to attend college courses and earn college credits while they are still attending high school. CE has a Environmental and Spatial Technologies (EAST) Program that encourages students to solve problems that they see in their communities. EAST is located in more than 254 schools across 4 states. Conwell Eagan's program is the only one on the east coast.
