Participant

From Korea, Vietnam, Spain, and China Age
range: 12 – 17

STEM Rocket Academy

July 17 – July 21

9 AM – 12 PM

This year's camp focuses around building a compressed air rocket launch system which will provide a fun, hands-on activity that covers a wide range of scientific and engineering principles, culminating with an altitude and accuracy competition. Camp hours are 9:00 AM till 12:00 PM. This camp requires students to construct their own launch system, which may get a little messy, so dress in comfortable casual summer attire.

Areas of focus;

Potential and Kinetic Energy

Aerodynamics and Flight Dynamics

Newton's Law of Motion

Pneumatic Systems

Projectile Motion

Strength Materials

And much more!

WEEKENDS

COLLEGE TOUR LOCATIONS

COLLEGE TOUR

The college information sessions and the campus tours will give students a much better idea of what the college is like and if they would be happy there. During the visit, students are able to tour classes, interact with students, and even use campus amenities. Through college tours, students can put themselves in the shoes of a college student :)
