Saint Viator High School is often described as a place that feels like family by those who walk through its doors. Saint Viator exists as a welcoming and academically inspiring community in which students are valued and educated as whole people. Classes are small enough for students to get to know everyone, yet large enough to enable a competitive curriculum. Teachers and staff are dedicated to the intellectual, physical, spiritual, and emotional growth of each student, providing the attention, nurturing, and support a successful academic career requires. Saint Viator High School has been recognized as an Apple Distinguished School for 2019-2022 for its ongoing commitment to innovation and use of technology to enhance student learning. The school was also designated with the same recognition for 2015-2017 and 2017-2019. Honored in 2008 and 2014, Saint Viator High School has been selected as a National Blue Ribbon School by the United States Department of Education. This is the highest national award that a school can receive. This marks two awards in a row for Saint Viator, as schools are only eligible every six years.

Community

The school is located in the Highlands of Arlington, Illinois, in a beautiful environment, just 10 minutes drive from Arlington Park. Arlington Heights is located on the outskirts of Chicago, less than 25 miles from the city centre. Chicago is the third most populous city in the United States and is a center of international finance, business, technology, entertainment and sports. Students can visit one of the city's most famous attractions, the Magnificent Mile, the most magnificent street in Chicago, with unique shops, restaurants, hotels, beautiful architecture and some of the tallest buildings in the United States. The feeling and atmosphere of the Magnificent Mile is similar to Shanghai Nanjing Road.
